The Frisby Neighbour Plan has been painstakingly researched and benefitted from numerous surveys and referenda from the villagers themselves. To think that this has been done so meticulously but may be ignored by the Council is not acceptable. It is hardly the democratic process we voted for, or the due process we were lead to believe would be adhered to by the council. The imposition of a revised allocation of 78 house to Frisby is a huge inscribe in a population of just over 200 houses. The Great Lane sit has already swallowed that allocation. To approve any other major developments in or around the village will choke the already overstretched infrastructure. When Melton complete the development in the town itself, the traffic along the 607 will be intolerable. It is already dangerous going on to and off the A607 a the moment. To increase the development in the village, coupled with other developments will overpower the road system and lead to disaster on the roads. We, as residents, believe you, as our political representatives, have an obligation to protect the majority and to protect our rural way of life. Applications for the additional site choices FRIS2 and FRIS3 by MBC have not been heard by committee yet and have a number of continuing unresolved issues. Both sites are in conflict with the FOTW Neighbourhood Plan.

Please describe what changes you consider necessary to make the Melton Local Plan legally compliant or sound

The Neighbourhood Plan should be adopted without further consideration to the excessive overdevelopment of the village.
