Pegasus Group act on behalf of Davidsons Developments Limited who have land interests at Sandpit Lane, Long Clawson. The site is identified in Policy C1 (A) Housing Allocations as LONG4, capable of delivering 55 dwellings. It is also identified under Policy LONG4 Land off Sandpit Lane in Appendix 1 'Site Allocations and Policies' of the Pre-Submission Draft Melton Local Plan. The site is subject of planning application 16/00032/OUT, which is yet to be determined.

Policy SS2- Development Strategy sets out the Council's approach to the distribution of development across the Borough. As not all of the settlements have sufficient allocations with the capacity to meet their residual requirement, the 162 dwelling shortfall has been redistributed amongst the remaining Service Centres and Rural Hubs on a proportionate basis. For Long Clawson this has resulted in an increase in the housing requirement from 110 dwellings to 127 dwellings. This approach to distribution of housing to Long Clawson is supported. The site can deliver up to 55 dwellings, which together with other proposed allocations provides a total of 141 new dwellings. Whilst this is an overprovision when considered against the residual requirement of 127, it is not a significant increase in numbers and the combined proposals do not present any technical issues that cannot be overcome.

**7. Please set out what change(s) you consider necessary to make the Melton Local Plan: Pre-Submission Draft legally compliant or sound, having regard to the test you have identified at 5 above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this change will make the Melton Local Plan: Pre-Submission Draft legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible. (Please continue onto a separate sheet if you require more space)**

**Please note:** Your representation should cover succinctly all the information, evidence necessary and supporting information necessary to support/justify the representation and suggested change, as there will not normally be a subsequent opportunity to make further representations based on this original representation.

**After this stage, further submissions will only be at the request of the Inspector based on the matters and issues they identify at the examination.**

**8. Can your representation seeking a change be considered by written representations or do you consider it necessary to participate at the oral part of the examination? (Please tick the appropriate box)**

Written Representations

Participate at the Oral Examination

**9. If you wish to speak at the examination, please outline why you consider this to be necessary:**

Pegasus Group act on behalf of Davidsons Developments Limited in relation to their interests at land off Sandpit Lane, Long Clawson. It is therefore important that they take part in the examination, should they feel that it is necessary, in order to address any issues that may arise in relation to their land interests.

*Please note: The Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.*
