Representor Name	Focused Change/Policy Ref	Summary of Representation	MBC Response
Chris Gamble	Frisby	Object to inclusion of Water Lane and land to the south within this plan. The NP with one site only reflects the community wishes and should be taken into account. Questions the legality of doing otherwise.	The sites in the MLP reflect the best options based on a robust and proportionate evidence base which informed the site assessment process. IN accordance with Government guidance, Little weight can be afforded to the Frisby NP until at least an Inspector's Report has been received. If this happens, before the close of Local Plan Examination Hearings, the Council will consider <del>suggesting modifications to its plan to align</del> .
Liberty Stones (obo David Cook)	FRIS3	Support increase in allocation from 40 to 48 dwellings.	Noted
Pete Dulieu	Frisby	Local shop needs growth and housing mix to sustain business.	Noted
Justin Cove (obo Richborough Estates)	FC4.1 (C1a). Object FRIS2. Object FRIS3. Support extension FRIS1	<p>Focused Change FC 4.1: Section 5.4 and Policies C1(A and C1(B))</p> <p>The Frisby NP has been developed in close cooperation to the LP and has arrived at a solution to the housing allocation in the village (68). Richborough therefore strongly object to this policy and request that draft Housing Allocations FRIS2 'Water Lane' and FRIS3 'Land south of village' are deleted and a minimum of 78 dwellings is allocated against Housing Allocation FRIS1 'Land off Great Lane'.</p> <p>It is proposed that the full NP allocation comprising NP references FRIS1 and FRIS1A are incorporated into the Local Plan to comprise Frisby's housing requirements as set out in Focused Change 1. A detailed assessment of these sites' suitability, availability and deliverability is provided.</p>	<p>The housing site assessments underpinning Focused Change 4 were based on the most up to date information and data that was available on a comparable basis across the whole of the Borough at the time, for a relevant range of sustainability, suitability and achievability factors. The Council consider this to be adequate and proportionate evidence, as per NPPF para. 158.</p> <p>The Plan is required to be flexible and both Services Centres and Rural hubs have sufficient capacity form allocations to offer this . deletion of 2 sites in Frisby (70 units) would seriously compromise this.</p>
Justin Cove (obo Richborough Estates)	FC4.1 (C1a). FRIS2 FRIS3 FRIS1	Strongly object and seek deletion of FRIS 2 and FRIS3, and allocation of FRIS1 for 78 dwellings - the Local Plan should actively seek to align itself with the Frisby NP given its more advance stage of production. Provide information about suitability, availability and achievability for an expanded FRIS1, and highlight five advantages of doing so. Provide an indicative masterplan for 79 dwellings.	<p>The progress of the Frisby neighbourhood plan and the difference between the [draft] NDP housing allocations and draft MLP housing allocations is noted. Should the Examiner's report of the NDP be published and/or a NDP be adopted after Local Plan submission and before the close of the Local Plan Examination Hearings, the Council will consider whether to suggest modifications to the local plan Inspector, in respect of its non NDP housing allocations and any housing allocations in the NDP which were not in the submitted MLP.</p> <p>Note that the planning authority has resolved to grant outline planning permission for FRIS3.</p>
Carole Gamble	Frisby	<p>I am a local Frisby resident and would like to point out the following.</p> <p>I agree with your local plan for Frisby but object to you including the Water Lane and land to the south within this plan.</p> <p>We have spent many months as a neighbourhood, developing our own neighbourhood plan and i strongly object to your dismissal of our wishes to have one site only for our future housing needs.</p> <p>I feel that Melton Borough Council is ignoring our wishes and am not sure that this stance is legal on your behalf.</p>	<p>The progress of the Frisby neighbourhood plan and the difference between the [draft] NDP housing allocations and draft MLP housing allocations is noted. Should the Inspector's report of the NDP be published and/or a NDP be adopted after Local Plan submission and before the close of the Local Plan Examination Hearings, the Council will consider whether to suggest modifications to the local plan inspector, in respect of its non NDP housing allocations and any housing allocations in the NDP which were not in the submitted MLP.</p>

Historic England Melton Local Plan	FRIS1	Sites FRIS1 – 3 are adjacent to the Conservation Area and other heritage assets and this is not adequately reflected within the policies or assessments in order to ensure a sound plan. FRIS1 forms an important section of the historic landscape setting to Frisby on the Wreake Conservation Area to the west and other heritage assets including the Grade I listed Church of St Thomas of Canterbury, at the entrance to the village. The site also includes what appears to be part of a well preserved and coherent area of ridge and furrow contributing as setting to the significance of the designated assets and the wider historic landscape character. An additional bullet point policy in relation to sites FRIS1 – 3 to ensure that heritage assets are taken into account, at both outline and reserved matters stages, would address Historic England’s concerns in relation to soundness, such as:- “Development of sites FRIS1-3 will only be supported where it is illustrated through the layout, design and detailing that the heritage assets will be conserved and enhanced.”	The specified policies take account of the likely impacts and necessary mitigation .
Karen White	Frisby	Melton Local Plan should incorporate the preference for a single site only of Land off Great Lane FRIS1 ,which is already permitted and not include 3 sites.  The Melton Plan should not include FRIS2, Water Lane or FRIS3, Land due South of the village.  This will then be compliant with the Frisby Neighbourhood Plan which has gone through Regulation 16 and has been submitted by Melton Borough Council for inspection and examination by the Government’s Regulating Body.	Alignment of the Local and Neighbourhood Plan will occur during examination of the Melton Local Plan, subject to the Frisby Neighbourhood Plan successfully passing examination and referendum. A member of the Neighbourhood Plan Group may wish to come and discuss the plan at EIP.
Kenneth Holt	Frisby	We were told that an additional 70 houses were to be built in Frisby to comply with Government policy. We were asked to select one of three sites to provide the necessary number. However, the Local Plan, as shown at the Village Hall recently, now shows that all three sites are included in the Local Plan, which would add nearly 200 houses to the village. Since then I believe that Hayward’s land , off Mill Lane, is to be included, giving an additional 200 houses. To increase the size of Frisby from approx. 200 houses to about 600 is hardly compliant with the notion of an English Village; it may be more representative of a small town, but without the facilities. An additional 70 houses would be bearable but not without problems, but something in the region of 400 houses would destroy this village completely.	Alignment of the Local and Neighbourhood Plan will occur during examination of the Melton Local Plan, subject to the Frisby Neighbourhood Plan successfully passing examination and referendum. A member of the Neighbourhood Plan Group may wish to come and discuss the plan at EIP.
Leanne Chidlow	Frisby	The sites FRIS2 and FRIS3 should be dismissed and the Melton Local Plan should adopt the choice of the residents who are far better placed to know what will least disrupt the village infrastructure, conservation area and environment.	Alignment of the Local and Neighbourhood Plan will occur during examination of the Melton Local Plan, subject to the Frisby Neighbourhood Plan successfully passing examination and referendum. A member of the Neighbourhood Plan Group may wish to come and discuss the plan at EIP.
Lesley Twigg	Frisby	MBC to remove FRIS 2 and 3 from their proposed sites to develop in Frisby and replace with Great Lane plus its extension	Alignment of the Local and Neighbourhood Plan will occur during examination of the Melton Local Plan, subject to the Frisby Neighbourhood Plan successfully passing examination and referendum. A member of the Neighbourhood Plan Group may wish to come and discuss the plan at EIP.
Lydia Manship	FRIS2	Absolutely no houses should be built on FRIS2.	Noted
Lisa Bailey	Frisby	There are unresolved issues relating to the proposed sites in Frisby . The Local Plan should adopt the site choices made in the Neighbourhood Plan to reflect the wishes of the local community.	The progress of the Frisby neighbourhood plan and the difference between the [draft] NDP housing allocations and draft MLP housing allocations is noted. Should the Examiner’s report of the NDP be published and/or a NDP be adopted after Local Plan submission and before the close of the Local Plan Examination Hearings, the Council will consider whether to suggest modifications to the local plan inspector, in respect of its non NDP housing allocations and any housing allocations in the NDP which were not in the submitted MLP.

Scott Bailey	Frisby	There are unresolved issues relating to the proposed sites in Frisby . More weight should be given to the Neighbourhood Plan. The Local Plan should adopt the site choices made in the Neighbourhood Plan to reflect the wishes of the local community. A planning appeal decision letter indicating wieght to be afforded to NDP was provided as a supplementary to this.	The progress of the Frisby neighbourhood plan and the difference between the [draft] NDP housing allocations and draft MLP housing allocations is noted. Should the Examiner's report of the NDP be published and/or a NDP be adopted after Local Plan submission and before the close of the Local Plan Examination Hearings, the Council will consider whether to suggest modifications to the local plan inspector, in respect of its non NDP housing allocations and any housing allocations in the NDP which were not in the submitted MLP. The planning appeal Inspector's decision letter provided does not suggest the local plan approach is unsound.

Robyn Warwick	Frisby	There are unresolved issues relating to the proposed sites in Frisby .
