#### **YOUR COMMENTS ON THE CASE**

The proposed plan will have a detrimental effect on the beauty of the surrounding countryside. This is a stunning place to live and along with local villagers many visitors are attracted to spend time here. The heritage of our local land and buildings should be protected for future generations and more suitable land be found to install/explore alternative energy sources.

The damage to the Vale of Belvoir "Beautiful View" would be shameful and will have severe impact on all those who are proud of the amazing place we live in.
