Policy SS6 sets out the Council's approach to the monitoring and review of the Local Plan where this identifies significant and persistent shortfalls in the delivery of housing and employment or there are changes within the Leicester and Leicestershire Housing Market Area (HMA) in relation to objectively assessed needs.

The Policy advises that to ensure that any plan review is carried out quickly, The Council will prioritise the consideration of potential alternatives including the previously considered large scale site option at Dalby Airfield.

The identification of Dalby Airfield as one of the potential alternative options to be considered as part of any necessary review of the plan, is supported. The site offers the opportunity for the provision of housing and employment to address any potential shortfalls in delivery from other sites as part of an early review of the plan.

7. Please set out what change(s) you consider necessary to make the Melton Local Plan: Pre-Submission Draft legally compliant or sound, having regard to the test you have identified at 5 above where this relates to soundness. (NB Please note that any non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why this change will make the Melton Local Plan: Pre-Submission Draft legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible. *(Please continue onto a separate sheet if you require more space)*

Please note: Your representation should cover succinctly all the information, evidence necessary and supporting information necessary to support/justify the representation and suggested change, as there will not normally be a subsequent opportunity to make further representations based on this original representation.

After this stage, further submissions will only be at the request of the Inspector based on the matters and issues they identify at the examination.

9. If you wish to speak at the examination, please outline why you consider this to be necessary:

Wilson Enterprises has interests in land at Dalby Airfield identified under Policy SS6 as one of the alternative development strategies for consideration where an early review of the plan is required. It is important that their interest are represented in any discussions at the examination about alternative strategies for future plan review.

Please note: The Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate at the oral part of the examination.
